

## **NEWS FROM THE MANAGEMENT COMMITTEE MEETING ON 23<sup>RD</sup> APRIL.**

Following on from the 2025 Annual General Meeting directive to consider several possible alterations to the CRCA by-laws which were unable to be processed at that meeting, the Management Committee discussed those items last night. With the recommendations of the members present at the AGM at the forefront of our consideration, there were a couple of issues that require further investigation and consideration. The following by-laws are affected by the decisions taken at that meeting. An updated version of the Standards and By-laws will be on the website as soon as it is available.
